

2014 BLANDFORD TOWN TEAM, TOWN SURVEY FREE TEXT RESULTS

These are the returned from the limited Free Text space in the Town Team survey.

5 nominations is equal to approximately 1% of the respondents, just short of 500, out of a total of 6000 issued to a town population of approximately 9090, including Blandford St Mary (2010).

There are two forms of the report give:

- Ranked by Priority.
- Grouped by functionality.

Legend – note a guess has been made on accountability and interest. For those areas withing the accountability of any group it is for you to take note, discuss and action as appropriate. It does mean that those who are accountable can be asked about what they have done about the findings.

- CC – Dorset County Council
- NDDC – North Dorset District Council
- TC – Blandford Forum Town Council
- BSM PC – Blandford St Mary Parish Council
- DT11
- TT – Town Team
- Bfd+ - Blandford Plus
- CT – Blandford Chamber of Trade

Top individual issues:

- Litter – Streets dirty –16%
- Parking - free first 30 mins – 12%
- Parking – free – 10%
- Traffic Flow – 9%
- Clothes shops not sufficient – 9%

Top general issues:

- Retail – 83%
- Transport – 48%
- Community – 31%
- Litter – 27%

Key Themes:

- Improve litter cleaning by NDDC/ Dorset Waste.
- NDDC review and amend parking charges policy - link to the decline in high street shopping.
- Sort out traffic flow around town.
- Need for better clothes shops.
- NDDC/TC gain some control over the numbers of particular types of shops – Cafes/ Charity in particular.
- More community events.

Other Themes – there are some issues raised that need significant change in government policy, support from the CC an NDDC but there are some really good points in here that may have been raised by one or two individuals and do not need to cost anything.
